

My friend is from Holland

Hello! My name's Karolina. I'm 8 years old. I live in Kyiv. Kyiv is the capital of Ukraine.

My best friend is Margarita. She is 9 years old. She lives in Amsterdam. It's the capital of Holland.

I often visit Holland with my parents. We usually travel by plane. Margo and her parents always meet us at the airport. We visit ancient castles and eat tasty food there. I love Dutch cheese and waffles. They are yummy!

We always bring Margo something tasty from Ukraine too.
