Did they find Toto?

- Kelly and Jack sent some photos and an email.
- Did they find Toto?
- No, they didn't.
- Hi all!

We saw Claudia and Magnus yesterday. They crashed their car! We didn't speak to them and we didn't find Toto. Aunt Sophie is worried. Oscar didn't like the farm and he didn't sleep well. The cows were very big and he was scared. He didn't know what the owls were. He thought they were flying cats. He was confused! The bull was very big and noisy and Oscar was nervous all night. He didn't want the bull to chase him too. Poor Oscar, he was very unhappy!

We took some photos of Claudia and Magnus yesterday. Here they are!

Hope you are all OK.

Love, Kelly and Jack
