

## Lesson 24 (p.94) Are they sleeping?

---

Sally

Are they sleeping? Are they dreaming?

Where are the animals?

What are they doing?

Are they reading? Are they writing?

What is that terrible noise?

Are you eating? Are you drinking?

Where are you, animals?

What are you doing?

Are you playing? Are you hiding?

What is that terrible noise?

Animals

Hide all the toys! Eat all the cake! Jump into bed!  
Sally is coming upstairs!

We're not playing.

We're not eating.

Look at us, Sally,

We're very good animals.

Tag's not roaring.

Trumpet's snoring.

That is the terrible noise.
